1. I have personal knowledge of the facts stated in this declaration and am  
competent to testify to them.

DECLARATION OF ROSS B. HANSEN IN SUPPORT  
OF DEBTOR'S EMERGENCY MOTIONS - 1

1                   2.       I am the100% owner, sole manager and member of Northwest Territorial  
2  
3 Mint, LLC (“NWTM”).  
4

5                   3.       I submit this declaration in support of the Debtor’s following “First-Day”  
6  
7 motions.  
8  
9

10                   **A. Employee Wages and Benefits**  
11

12                   4.       The Debtor has incurred costs and obligations with respect to its employees  
13  
14 that remain unpaid as of the Petition Date because they accrued, either in whole or in part,  
15  
16 prior to the Petition Date. The Debtor seeks the Court’s authorization to pay those pre-  
17  
18 petition wages, salaries, health benefits, and other benefits which the Debtor pays to its  
19  
20 employees in the ordinary course of its business.  
21  
22

23                   5.       The Debtor employs total of 237 employees. 190 employees are hourly, 42  
24  
25 are salary, and 5 are commissioned sales people. Prior to the Petition Date, the Debtor’s  
26  
27 average biweekly payroll obligation, including applicable tax obligations, was approximately  
28  
29 \$339,000.00 per pay period. The Debtor’s last pay period ended on April 2, 2016, with a  
30  
31 payday of April 8, which covers the period of March 21, 2016 through April 2, 2016, and  
32  
33 thus includes amounts owed to employees for work performed prior to the Petition Date. I  
34  
35 estimate that the Debtor’s gross payroll obligation on April 8, 2016, including applicable tax  
36  
37 obligations, will be approximately \$323,000. A copy of the payroll obligations for this pay  
38  
39 period, including withholdings for taxes and other purposes, is attached hereto as **Exhibit A**.  
40  
41 The Debtor seeks authority to pay this amount, plus any additional outstanding amounts  
42  
43 owed as of the Petition Date for accrued and unpaid wages and salaries.  
44  
45  
46  
47

1           6.       The majority of the Debtor's employees are hourly employees with wages  
2  
3 that generally range from \$7.00 to \$20.00 an hour. A wage disruption would be a significant  
4  
5 hardship to employees in this group.  
6

7  
8           7.       The Debtor relies extensively upon its employees to perform vital services  
9  
10 for the company. Unless the Debtor is able to pay its employees their prepetition wages, I  
11  
12 believe that operational difficulties and business disruption may result from failure of  
13  
14 employees to report to work, or low employee morale.  
15

16  
17           8.       I don't believe that any prepetition employee wage and salary claim  
18  
19 authorized by this Motion shall exceed the statutory cap of \$12,475.00 provided in §  
20  
21 507(a)(4).  
22

23           **B. Adequate Assurance to Utilities**  
24

25           9.       Assurance of continued uninterrupted utility service is vital to the Debtor's  
26  
27 on-going business operations.  
28

29  
30           10.      The average monthly utility costs, broken down by facility is as follows:

11. To the best of my knowledge, a complete list of the Debtor's utility providers and their addresses are attached hereto as **Exhibit B**.

**C. Case Management**

12. The Debtor has approximately 3400 creditors.

**D. Retention of a Chief Restructuring Officer**

13. I believe that in order to gain the trust and support of creditors in this case, it is imperative that a Chief Restructuring Officer ("CRO") be appointed as soon as practicable.

14. The reasons why I believe Bill Weisfield and Stuart Heath of Elliott Bay Asset Solutions, LLC, should immediately be appointed as CROs of the Debtor are spelled out in detail in the Debtor's Motion Pursuant to 11 U.S.C. §§ 105(a) and 363(b) for Entry of An Order Authorizing the Retention of Bill Weisfield and Stuart Heath of Elliott Bay Asset Solutions, LLC as Chief Restructuring Officers *Nunc Pro Tunc* and are incorporated herein by reference.
